

Amendments to the Claims

Claims 1-26 (cancelled).

Claim 27 (previously presented): A moldable article for conforming to a complex curvature object, comprising:

 an object including a thermo-malleable material; and

 a plurality of susceptors impregnated in said thermo-malleable material, wherein said susceptors are capable of converting energy into heat.

Claim 28 (previously presented): The article of claim 27, wherein said thermo-malleable material is a liquid thermo-malleable polymer.

Claim 29 (previously presented): The article of claim 28, wherein said liquid thermo-malleable polymer is liquid ethylene-vinyl acetate.

Claim 30 (previously presented): The article of claim 27, wherein said susceptors are chosen from the group comprising metals and metal oxides.

Claim 31 (previously presented): The article of claim 27, wherein said susceptors are tin oxides.

Claim 32 (previously presented): The article of claim 27, wherein said object

is a racket handle.

Claim 33 (previously presented): The article of claim 27, wherein said object is a helmet.

Claim 34 (previously presented): The article of claim 27, wherein said object is a grip.

Claim 35 (previously presented): The article of claim 27, wherein said object is a bandage.

Claim 36 (previously presented): The article of claim 27, wherein said object is body padding.

Claim 37 (previously presented): The article of claim 27, wherein said object is a glove.

Claim 38 (previously presented): The article of claim 27, wherein said object is a sock.

Claim 39 (previously presented): The article of claim 27, wherein said object is a mouthguard.

Claim 40 (previously presented): The article of claim 27, wherein said object is a seat.

Claim 41 (previously presented): The article of claim 27, wherein said object is selected from the group consisting of elbow pads, knee pads, shoulder pads, arm pads and wrist pads.

Claim 42 (previously presented): The article of claim 27, wherein said object is a mask.

Claim 43 (previously presented): The article of claim 27, wherein said object is an athletic supporter cup.

Claim 44 (previously presented): The article of claim 27, wherein said object is a sports bra.

Claim 45 (previously presented): The article of claim 27, wherein said object is an ear pad.

Claim 46 (previously presented): The article of claim 27, wherein said object is a nose pad.

Claim 47 (previously presented): The article of claim 27, wherein said object

is a watch band.

Claim 48 (previously presented): The article of claim 27, wherein said object
is a cap brim.

Claim 49 (previously presented): The article of claim 27, wherein said object
is a cast.

Claim 50 (previously presented): The article of claim 27, wherein said object
is a footbed.

Claim 51 (previously presented): The article of claim 50, wherein said
footbed is a foot pad.

Claim 52 (previously presented): The article of claim 50, wherein said
footbed is an insole.

Claim 53 (new): The article of claim 27, wherein said thermo-malleable
material is a foamed thermo-malleable polymer.
